Please pray for our town, nation, and the world during the virus pandemic: for those grieving; for those who are seriously ill and who will become ill; for medical professionals; for public health officials; for first responders; for leaders of towns, states, and nations; for scientists working on a vaccine; for the very poor worldwide who are especially vulnerable; for those who have lost employment and income worldwide; for those who continue to provide essential services; for the rapid containment and control of the virus. And give thanks for all the ways God is working even in this time.

Please pray for the renewal and revitalization of our church, with trust in God's plan for us. Please pray for our church and all its members as we adjust to a different way of being the church.
