**Please pray** for our town, nation, and the world during the virus pandemic: for those grieving; for those who are seriously ill and who will become ill; for medical professionals; for public health officials; for first responders; for leaders of towns, states, and nations; for scientists working on a vaccine; for the very poor worldwide who are especially vulnerable; for those who have lost employment and income worldwide; for those who continue to provide essential services; for the rapid containment and control of the virus. And give thanks for all the ways God is working even in this time.

**Please pray** for the renewal and revitalization of our church, with trust in God's plan for us. Please pray for our church and all its members as we adjust to a different way of being the church.
